

Makeup Guide

Experience has shown that the below basics work best to define faces in the harsh stage lights without overpowering their natural features. We're here to highlight, we don't want to dramatically change how they look because we think they're perfect as they are!

Important Reminders:

Please have your makeup done ahead of time.
We'd like to request that if your dancer is only in one item or under the age of 11 they **not** bring their makeup to the venue.

Don't worry if it's not right! Give it a go and rest assured our volunteers are on hand to help with any and every little thing if need be.

One last note to live by...

Makeup doesn't need to be expensive! Red Lipstick is available at discount stores for around \$2, think Ruby Red!
